CHECKLIST, FOR OFFICE USE ONLY

- Bachelor of Engineering Program Form, signed by faculty advisor
- PROFILE form, if applying for financial aid
- Transcript, if not a Dartmouth student

Instructions for Applying to the Bachelor of Engineering Program

1. Who should use this form?

This abbreviated form is for the following students: Dartmouth undergraduates, students who have been admitted to the Dual-Degree Program, and exchange students from the University of Aachen and the Royal Institute of Technology, Stockholm. All other applicants must use the regular application to the Thayer School of Engineering.

2. Entrance requirements

Admission to the professionally-accredited Bachelor of Engineering degree program requires completion of Dartmouth's Engineering Sciences major, or the equivalent. Consult the Thayer School Bulletin for detailed admission requirements.

3. Required materials

All students must complete the form on the other side of this page, and the Bachelor of Engineering Program form. The Program form must be signed by your Thayer School faculty advisor. If you need help identifying a faculty advisor, contact the Chairman of the Engineering Sciences Department, 603-646-3677.

If you are NOT a Dartmouth undergraduate, please arrange for an official academic transcript to be sent to us.

If you wish to be considered for financial aid, fill out the PROFILE form. The PROFILE form is available online at www.collegeboard.com. Thayer School's PROFILE number is 3355. If you seek an educational loan through Dartmouth, you must complete and submit a "Free Application for Federal Student Aid" form available at www.fafsa.ed.gov. It is not necessary for international applicants to file PROFILE forms; instead, pick up an International Student Financial Aid application from the Admissions Office (M103 MacLean).

4. Deadlines

If you intend to begin the B.E. program in the summer or fall terms, you should send in your materials no later than **April 15**. If you plan to begin in the spring term, the deadline is **January 15**. Missing the deadline may cause a delay in processing your financial aid application.

5. Submitting your application

Please return your completed application to

Academic and Student Affairs Office
Thayer School of Engineering
Dartmouth College
8000 Cummings Hall
Hanover, New Hampshire 03755-8000

or, if on-campus, send to HB 8000 or deliver in person to M103 MacLean.

It is the longstanding policy of the Thayer School to support actively equal opportunity for all persons regardless of race or ethnic background. No student will be denied admission or be otherwise discriminated against because of sex, handicap, religion, sexual orientation, race, color, or national origin.
