Instructions for Applying to the Bachelor of Engineering Program

1. Who should use this form?
This abbreviated form is for the following students: Dartmouth undergraduates and students who have been admitted to the Dual-Degree Program. All other applicants must use the regular application to the Thayer School of Engineering.

2. Entrance requirements
Admission to the professionally-accredited Bachelor of Engineering degree program requires completion of Dartmouth’s Engineering Sciences major, or the equivalent. Consult the Thayer School Bulletin for detailed admission requirements.

3. Required materials
All students must complete the form on the other side of this page, and the Bachelor of Engineering Program form. The Program form must be signed by your Thayer School faculty advisor. If you need help identifying a faculty advisor, contact the Chairman of the Engineering Sciences Department, 603-646-3677.

If you are NOT a Dartmouth undergraduate, please arrange for an official academic transcript to be sent to us.

If you wish to be considered for financial aid, fill out the PROFILE form. The PROFILE form is available online at www.collegeboard.com. Thayer School’s PROFILE number is 3355. If you seek an educational loan through Dartmouth, you must complete and submit a “Free Application for Federal Student Aid” form available at www.fafsa.ed.gov.

4. Deadlines
Application material must be received TWO terms prior to the term you wish to start. If you plan to start fall term, your application must be received by April 1. Missing the deadline may cause a delay in processing your financial aid application.

5. Submitting your application
Please return your completed application to

**Academic and Student Affairs Office**
