--- CHECKLIST, FOR OFFICE USE ONLY ---
• Bachelor of Engineering Program Form, signed by faculty advisor
• PROFILE form, if applying for financial aid
• Transcript, if not a Dartmouth student
Instructions for Applying to the Bachelor of Engineering Program

1. Who should use this form?
This abbreviated form is for the following students: Dartmouth undergraduates, students who have been admitted to the Dual-Degree Program, and exchange students from the University of Aachen and the Royal Institute of Technology, Stockholm. All other applicants must use the regular application to the Thayer School of Engineering.

2. Entrance requirements
Admission to the professionally-accredited Bachelor of Engineering degree program requires completion of Dartmouth's Engineering Sciences major, or the equivalent. Consult the Thayer School Bulletin for detailed admission requirements.

3. Required materials
All students must complete the form on the other side of this page, and the Bachelor of Engineering Program form. The Program form must be signed by your Thayer School faculty advisor. If you need help identifying a faculty advisor, contact the Chairman of the Engineering Sciences Department, 603-646-3677.

If you are NOT a Dartmouth undergraduate, please arrange for an official academic transcript to be sent to us.

If you wish to be considered for financial aid, fill out the PROFILE form. The PROFILE form is available online at www.collegeboard.com. Thayer School’s PROFILE number is 3355. PROFILE should be completed following any parental taxes/filings for the previous year. Aid will not be determined until after the Dartmouth Trustees meet in March.

If you seek an educational loan through Dartmouth, you must complete and submit a “Free Application for Federal Student Aid” form available at www.fafsa.ed.gov.

4. Deadlines
Your application and advisor approved BE Program Plan must be received by January 14th. Missing the deadline may cause a delay in processing which may affect course election, access to DartBoard, visa processing, and financial aid.

5. Submitting your application
Please return your completed application to Jenna Wheeler in M103 MacLean.

It is the longstanding policy of the Thayer School to support actively equal opportunity for all persons regardless of race or ethnic background. No student will be denied admission or be otherwise discriminated against because of sex, handicap, religion, sexual orientation, race, color, or national origin.
